burial being in Mound Hill Cemetery, Seville, Ohio.

The following tribute to her life and character will be appreciated by a large circle of relatives and friends.

Hannah Crawford was born Sept. 19, 1863, and spent her youth at the family home, two miles north of Seville. She was married to Anthony Fretz of Montville, where their home was made and they remained until 1886, when they moved to Wooster to provide better educational advantages for their only son, now Prof. C. W. Fretz of Canton High School.

Naturally of an amiable temperament, Mrs. Fretz greeted her friends with a smile and proved her affection by constant kindly deeds. Of her it is truly said, "None knew her but to love her, none named her but to praise."

In early life she was baptized by Father Noyes and united with the Lafayette Presbyterian church, thus beginning a Christian life of remarkable devotion to duty. She believed she owed her Lord one tenth of her personal income, and made that the form of her benevolence during her entire life. After their removal to Wooster, she greatly enjoyed her new home, and the varied privileges of a wider and active field of Christian usefulness.

She truly and constantly went about doing good even after failing health limited her efforts. The loss of a beloved and only grandson at the age of eleven years was a sad blow, both to her hopes and her health; and she finally consented to the plans of her family to remove to the home of her son in Canton.

For this she made ready, even to packing her own trunk but her Lord saw fit to take her from her beloved earthly home to the "home over there," and to her devoted sister, Belle she said, "I am ready and cannot go too soon."

Beside her afflicted husband and son she leaves two sisters, Miss Belle Crawford of Guilford and Mrs. S. R. Dundass, of Seville and one brother, W. L. Crawford. Wooster papers copy please.
